

Alpine Meadows
The Fire Safe Council

Please come help make our valley more fire safe and beautiful!
Join us for one or both of our community cleanup days!

Community Cleanup Day #1
Saturday, June 25
8:30 am to 11:30 am
Beaver Dam Trail

We will be hauling branches and cut tree material from near the creek to the roadside where it will be chipped.
Please check-in at 1466 Beaver Dam Trail.

Community Cleanup Day #2
Saturday, July 23
8:30 am to 11:30 am
Snow Crest Road @ Gate on Dirt Road

We will be working on private property above Snow Crest Road to haul branches and cut tree material to the dirt road for chipping.

All are welcome! This event is a great way to meet your neighbors in Alpine Meadows and reduce fuels in the valley.

Please bring these things if you can: **Sunscreen, water bottle, and work gloves**

Snacks and drinks provided by the HOAs.

Palisades Tahoe has donated a season pass to our cause again this year! To be entered in the drawing you need to sign the waiver when you arrive and contribute at least 2 hours to either event. Want more chances to win? Join us for both events. The drawing will be after the 2nd cleanup day.

Please look for our red sign hanging near the bottom of the hill as your reminder to join us!

Looking forward to a productive day,

Rachelle Latimer, Dawn Grass and the AM Fire Safe Council
